

International Registration Plan and International Fuel Tax Agreement **Trip Permits**

Trip permits are available from each member jurisdiction and may either be ordered in advance from the jurisdiction for which the permit is needed or obtained from several transmitter service agents. Please visit the IRP web site to determine what is required of the jurisdiction you are intending travel through.

WWW.IRPONLINE.ORG

Select the tab labeled Information Exchange

Scroll down to Jurisdiction Information

Select the box for trip permits

You can either select ALL jurisdictions or select one jurisdiction from the drop down list
