## **Direct Drive Permit to DMV (aka Verbal Permit)**

Pursuant to DMV Regulation 2282, this Permit allows the expired vehicle below to be driven to the nearest DMV for inspection and registration renewal. The vehicle owner is required to drive the vehicle to the nearest DMV during normal business hours and be on the most direct route to the DMV. If you are not on the most direct route, you may be cited by law enforcement. Vehicle owner must have insurance for the vehicle and present the valid insurance card to the DMV. The permit is only good for vehicles being driven in Delaware. This permit is not valid for travel from the DMV to another location. Vehicle owner may obtain registration renewal, temporary tag, or 15 day temporary permit based on inspection results.
