Proceeds from the Animal Welfare License Plate benefit organizations or veterinary clinics that spay or neuter dogs and cats and to provide assistance to non-profit organizations that shelter homeless dogs and cats.

There is a one-time purchase price of \$50 for this specialty plate. Organizations will benefit by receiving \$35 of the purchase price while the remaining \$15 covers the cost to manufacture and issue the plate. Please complete the above application and mail it into Division of Motor Vehicles, Attn: Special Plates, P.O. Box 698, Dover, DE 19903.

The Animal Welfare License Plate may be displayed on a private passenger vehicle, truck or trailer with a manufacturer's gross vehicle weight rating (GVWR) of 26,000 pounds or less, except for IRP apportioned vehicles. The regular plate number or vanity plate assigned to your vehicle can be displayed on this plate.

DMV will mail your plate directly to your mailing address. Please allow 6-8 weeks for delivery.

If your tag number is on the specialty plate and you wish to retain the tag number, you must appear at the DMV with your title to place the plate in retention for \$35 prior to the sale. When a vehicle is sold (transferred), the buyer will need to submit a new application with applicable fees to display the specialty plate from the previous owner. Specialty tags with a vanity are non-transferrable.
