OF DELAWARE PRIDE COUNCIL**

Purchase the Delaware Pride Council License Plate, and your dollars will immediately be used to support its mission to organize community resources to improve the lives of lesbian, gay, bisexual, transgender, and questioning youth and adults in Delaware. There is a one-time purchase price of \$50 for this special plate. Organizations will benefit by receiving \$35 of the purchase price, while the remaining \$15 covers the cost to manufacture and issue the special plate.

FOLLOW THESE EASY STEPS

1. The Delaware Pride Council License Plate may be displayed on cars, SUV's, trucks or trailers with a manufacturer's gross vehicle weight rating (GVWR) of 26,000 pounds or less, except for IRP apportioned vehicles.
 - The regular plate number or vanity plate assigned to your vehicle can be displayed on this plate.
 - Other special plates (alumni, organizations, handicapped, retired police, etc.) **cannot** be displayed on the Delaware Pride Council Plate. You may, however, purchase a Delaware Pride Council Plate (using your regular plate number) for the rear of your vehicle and use your special plate on the front.
2. Complete and sign the application on the reverse side of this form.
3. Send your completed application and \$50 check or money order to DMV Administration Office, Special Plate, P.O. Box 698, Dover, DE 19903. The check must include 1) name and address, 2) driver license number and 3) daytime telephone number to reach you if we have any questions.
4. The Division of Motor Vehicles will mail your plate directly to your mailing address. Upon receipt you may replace your old plate with your new plate. It is not necessary to return your old plate. Please allow approximately six weeks for delivery.

Important Notice: When a vehicle is sold (transferred), the plate number goes with the vehicle. In the event you trade or sell your vehicle and wish to keep your plate, you must appear at DMV with the title to that vehicle to place the plate in retention for your use on a vehicle at a later time. The titles to both your old and new vehicles must be presented to DMV for the switch. Title fees will be involved. Please contact your nearest DMV office for further information.
